The Holaravayam Zamindar have
requested for the series of a Special
Subscription on Rs 100 + 15 p. 51 for carrying
out certain improvement works in the
Zamindar at an estimated cost of Rs 15000/-
towards which the Govt have contributed
Rs 7500/- The Chief Engineer
who was consulted in the matter
has stated that the series of a subscription
could be started only after the candidates
have entered the school and are actually
affiliated, which would be in July next
year. But this means that the
improvement works for which money is
ready would be put off for want
of hands. This could not possibly be helped
in the cities. Hence something
is accorded to the appointment of
a Submaster on Rs 100 + 15 in the
Holaravayam Zamindar. The Chief
Engineer being requested to post a candidate
as early as possible. Sd/-

The proposal may be sanctioned
